Lifetime Thrill Given Children

A circus was a thrill of a lifetime to 28 children from the Harbor Area Retarded Children's Foundation, as for many it was the first circus they had ever seen.

Thrilling was the ride into the Sports Arena on the bus provided by the Fire Belles group of San Pedro under the auspices of Mrs. Norma Christopher, president.

Harry Curry, Los Angeles fire inspector, obtained the tickets for the children and the mothers who attended.

It is through the efforts of interested groups such as this organization that our retarded youngsters are capable of taking part in normal activities.

Need for vision correction is no longer a "spoilsport" for water skiers and skin divers. Wearing "spectacles" is impractical and hazardous, but the new plastic contact lenses provide clear vision with complete freedom from bothersome flying spray in skiing and boating, or fogging-up behind diving masks. Contact lenses may be worn safely, too, for swimming and diving, without masks. More than a million Americans are wearing contact lenses in sports, at work, and for social occasions. The thinness and lightness of modern small diameter plastic lenses offer advantages never before attainable. Application is easy, and the new lenses can be worn around the clock without discomfort or irritation. Get all the facts! Come in, or write for fascinating new booklet. Easy terms. Dr. J. M. Soss, Optometrist (32 years in Harbor Area), 1268 Sartori Ave. FA 8-6602. Open Friday evenings and all day Saturdays. Offices also in Wilmington.

Year 5723, and worshippers usually add to the solemnity of Yom Kippur by fasting for 24 hours.

"The concept of a day of atonement teaches us that a man may escape the wrath of the law but never that of his own inescapable conscience," according to a Yom Kippur message from Judge Emil N. Baar, national chairman of the Union of American Hebrew Congregations.

"Atonement," said Judge Baar, "means not merely remorse for wrongs done in the past but a straightening out of the soul."

He added that we are given the opportunity to start again and again, and this means square dealing in business, honesty in professional relations, integrity in government.

The UAHC represents 640 Reform temples, and one of the most unusual is the mobile Beth Solomon for the Deaf. Its combined oral and sign language services are free to Jewish deaf, with this year's Yom Kippur ritual being held in Santa Monica's Temple Beth Shalom, 1827 California St.

Traditional Orthodox services will be held for the 50th consecutive year in the Los Angeles Jewish Home for the Aged, 325 S. Boyle Ave. Participants will also include residents from his new San Fernando Valley branch at 18855 Victory Blvd.

The Holy Days find rabbinical students from the Los Angeles School of Hebrew Union College appointed to pulpits of Reform temples in Chico, China Lake, Granada Hills, Humboldt County, La Crescenta and Rossmore. Founded under UAHC patronage in 1887 in Cincinnati, HUC is now the world's oldest rabbinical seminary, with Dr. Nelson Glueck as president.
